ARBOR LOUNGE

The Arbor Lounge is our luxurious 30 seater screening room complete with the next generation of digital cinema technology and 7.1 Dolby Surround Sound.

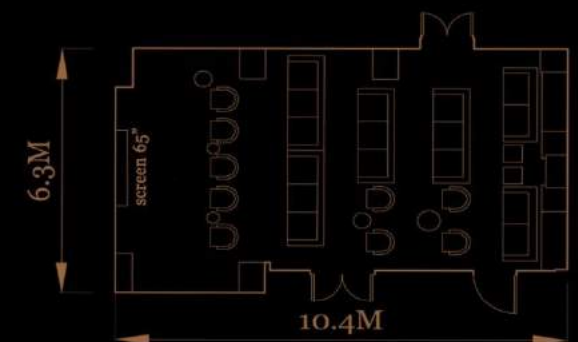

This private cinema is ideal for theatre-style meetings, presentations and movie viewing, and offers graduated velvet cushioning seating with rests for your drinks providing the real cinema experience.

Enjoy a blockbuster film in its full HD and digital glory with Champagne and popcorn; keep a captive audience during a presentation or sip a glass of Fizz while watching a premiere or post production preview.

The Lane Bar is adjacent to the Arbor Lounge and is the perfect place to enjoy canapés or a delightful dinner before or after a screening.
